

OPTIMUM LIFE®

2023 Continuing Education (CE) Series Schedule

Join us for our upcoming Optimum Life Continuing Education (CE) Series for healthcare professionals.

For more than 10 years, our monthly CE series has been committed to sharing and educating health professionals with the latest knowledge in senior care and well-being. This recorded webcast series provides 1.0 CE credit (one hour) per session for nurses, social workers, case managers and occupational therapists. Participants can also have their questions answered by our content experts.
